

Law Enforcement & Private Sector Partnerships

- Two headed monster or two allies?
- Turf, Turf, Turf
- Public and private sector information sharing
- Communication and interaction as a standard practice

Current Situation

- Reality – 80% of law enforcement agencies are small in size – Problem or Advantage?
- Do you “really know” what is in your community?
- \$\$\$\$\$\$ Problems = Thinking outside the box!!

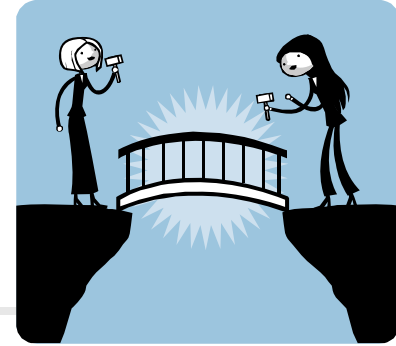

Taking Stock of Your Community

- Natural disasters, Bird Flu Pandemic, Terrorism, Normal day-to-day events
- Be a Smith Barney advisor -"How did we know? We asked".
- Large, small and in-between

Bridging the Gap

- Using our business partners to assist in solving community problems
- How do we begin to develop a different mindset?
- Partnership = Forum for discussion and new program development

Keeping an Asset Alive

- Develop a hands-on strategy for continuation of the partnership process – provide the leadership!!
- Gearing for the void with leadership change
- Communication, communication, communication

Public/Private Partnerships

- Greater Princeton Security Association
- New Jersey State Association of Chiefs of Police
- Association of Contingency Planners
- Plainsboro Township Plan
